

LUCAS CUNEGUNDES DE SANTANA

Software Developer

São José dos Campos, SP - Brazil • [Email](#) • [Linkedin](#) • [Github](#) • [Portfólio](#) • +55 (12) 99249-6848

With professional experience as a **Fullstack Software Developer**, I excel at collaborating with multidisciplinary teams to implement innovative solutions, currently working with projects in the tax and legal sectors. My expertise includes technologies such as React JS, Django, and Microsoft SQL Server, among others. I am committed to continuous improvement, consistently pursuing certifications and refining the skills I've acquired through previous projects and experiences. I am eager to embrace new challenges that will enable me to contribute to the success of the company's projects.

PROFESSIONAL EXPERIENCE

YOUTAN

Full Stack Software Developer

Internship in Software Development

PIT, São José dos Campos, SP - Brazil

July 2024 - Present

September 2023 - July 2024

- Primarily collaborated in the creation and resolution of complex SQL procedures for SPED reports, leveraging Microsoft SQL Server to optimize data handling and reporting accuracy.
- Successfully implemented data extraction solutions using Pandas and Openpyxl within Django-based projects, significantly enhancing project efficiency.
- Developed and integrated reusable components with React JS and TypeScript, improving the consistency and maintainability of user interfaces across systems.
- Played a key role in identifying and resolving critical bugs, ensuring the highest standards of quality and system stability. Additionally, provided strategic insights and innovative ideas, driving substantial improvements across projects.

Technologies Used

- React JS, Javascript / Typescript, TailwindCSS, Python, Django, Bash Script, Docker, Microsoft SQL Server

EDUCATION

CENTRO UNIVERSITÁRIO ETEP

Bachelor's Degree in Systems Analysis and Development

São José dos Campos, SP

2022 - June 2024

CERTIFICATIONS

- [Scientific Computing with Python](#) - freeCodeCamp
- [Build a Backend REST API with Python and Django](#) - Udemy
- [The Complete SQL Bootcamp](#) - Udemy

ADDITIONAL INFORMATION
