

LUCAS CUNEGUNDES DE SANTANA

Software Developer

São José dos Campos, SP • [Email](#) • [Linkedin](#) • [Github](#) • [Portfólio](#) • +55 (12) 99249-6848

With experience as a **Full Stack Software Developer**, I strategically collaborate with multidisciplinary teams, implementing effective solutions in projects, particularly in the tax and legal sectors. I possess advanced knowledge in technologies such as **React JS**, **Django**, and **Microsoft SQL Server**, and I am continuously improving my skills through certifications and up-to-date practices. I am ready to take on new challenges, contributing directly to the development and efficiency of the initiatives I engage in, with a focus on generating a positive impact and achieving meaningful results.

PROFESSIONAL EXPERIENCE

YOUTAN

Full Stack Software Developer

PIT, São José dos Campos, SP

September 2023 - November 2024

- Collaboration in the creation and resolution of complex SQL procedures for SPED reports using **Microsoft SQL Server**, optimizing data handling and ensuring the accuracy and compliance of the reports.
- Implementation of data extraction solutions using **Pandas** and **Openpyxl** in **Django**-based projects, resulting in a significant increase in project efficiency and productivity.
- Development, integration, and maintenance of reusable components with **React JS** and **TypeScript**, promoting consistency and easing the maintenance of user interfaces in systems.
- Creation and execution of comprehensive unit tests to validate the functionality and reliability of components and systems, ensuring greater security in development and deployment.

Technologies Used

- React JS, Typescript, JQuery, TailwindCSS, Python, Django, Docker, RabbitMQ, Celery, Microsoft SQL Server

EDUCATION

ETEP UNIVERSITY CENTER

Bachelor's Degree in Systems Analysis and Development

São José dos Campos, SP

February 2022 - June 2024

CERTIFICATIONS

- [Scientific Computing with Python](#) - freeCodeCamp
- [Build a Backend REST API with Python and Django](#) - Udemy
- [The Complete SQL Bootcamp](#) - Udemy

ADDITIONAL INFORMATION
