With ongoing academic training in Systems Analysis and Development from Centro Universitário ETEP and professional experience as a ***Fullstack Software Developer***, I highlight my ability to collaborate in multidisciplinary teams to implement solutions, currently focused on the tax/legal area using technologies such as React JS, Django, Microsoft SQL Server, among others. I am constantly seeking improvement, acquiring certifications, and refining the skills obtained in previous projects and experiences. I aim for new challenges that allow me to contribute to the success of the company's projects.

PROFESSIONAL EXPERIENCE

YOUTAN   **PIT, São José dos Campos, SP**
Internship in Software Development   *2023 - Present*

- Experience with multidisciplinary teams, focused on developing and implementing solutions in the tax/legal area. Prioritized the creation and resolution of SQL procedures in SPED reports, using Microsoft SQL Server.
- Developed reusable components used across the forms within these systems' interfaces with React JS and Typescript.
- Contributed to identifying and fixing bugs, ensuring the quality and stability of the developed systems, as well as providing insights and ideas for significant improvements.
- Actively participated in the stages of testing and production, ensuring effectiveness and compliance with requirements.

Technologies Used
- React JS, Javascript / Typescript, TailwindCSS, Python, Django, Bash Script, Docker, Microsoft SQL Server

EDUCATION

CENTRO UNIVERSITÁRIO ETEP   **São José dos Campos, SP**
Bachelor's Degree in Systems Analysis and Development   *2022 - Jun/2024*

CERTIFICATIONS

- [Scientific Computing with Python](#) - freeCodeCamp
- [Build a Backend REST API with Python and Django](#) - Udemy
- [The Complete SQL Bootcamp](#) - Udemy

ADDITIONAL INFORMATION

- Currently studying: Compiler Development in C, Data Structures, and Algorithms
- Technical Skills: Python, Javascript/Typescript, React JS, Django/Django REST, Microsoft SQL Server, PostgreSQL, Docker, Linux, Bash Script
